

# STOVE IN A CAN

ANYTIME. ANYWHERE. ANY WEATHER.

Tired of selling cookies nobody needs and discount cards nobody wants?

Here's a unique fundraising idea you can feel good about...

## STOVE IN A CAN

Life-Saving in an Emergency. Fun to Have Around.

- ❖ **Cooks food & keeps you warm in an emergency or recreationally.** Provides a campfire - like experience in a self-contained, compact solution.
- ❖ **Boils water in 5 minutes & cooks for 4-6 hours.**
- ❖ **Indefinite shelf life.** Great for emergency & 72-hour kits.
- ❖ **Safe, Compact & Durable.** Uses a non-explosive, 100% waterproof fuel source. Stove can support over 300lbs.

Dimensions: 6.5" wide x 4" tall; 3lbs

### What are the benefits to your organization:

- **Easy Sale.** People understand the value of our product
- **Bigger Profits.** You make more per sale than other fundraisers
- **Community Benefits.** Helps your community get better prepared
- **Easy to Run.** We are easy to work with and keep the whole process simple

**We help you achieve results.** A high school band in Utah raised over \$50,000 which helped them achieve their goal of performing in the Rose Parade. Several other groups have also reached their goals using Stove In A Can. Let us help you reach your goals!
